IMMERSIVE. EPICUREAN. GETAWAYS.

YOUR JOURNEY TO
CULINARY TRANSCENDENCE
BEGINS HERE

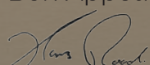

Dear Friends:

As the world grows smaller, finding genuinely authentic and unique experiences to share with others becomes increasingly difficult. This unique series of immersive epicurean getaways is the perfect blend of luxurious accommodations aboard our floating boutique hotel, delicious 5-star cuisine, and hand-selected wines by celebrated European chefs complemented by incredible nightly entertainment. We invite you to join us for a quick getaway to relax, recharge, and reconnect over an incredible meal with friends and loved ones.

Every moment of this sailing will undoubtedly convince you to return again and again. The scenery will be unforgettable, and special moments onboard with true European culinary greats will create everlasting memories of our journey like no other.

So, grab your apron and get ready to enjoy what I consider the fondest memories with friends and family—around an amazing meal. These exclusive opportunities promise flavors and experiences you won't find anywhere else.

Bon Appetit!
